FUJIAN JIEF GROUP CO., LTD.

Leading Manufacturer of Rainwear and Waterproof Garments in China

ABOUT US

JIEF Group is located in the beautiful city Fuzhou, which is the capital city of Fujian province in southeast of China. With the convenient transportation by railway, seaway and airway, JIEF has been successfully providing textile OEM/ODM services for almost 30 years. The product range covers protective outdoor wear, rainwear, daily-use wear with waterproof function, and 80% of the outputs are delivered to European and American markets.

LEEF Plastics as the Group's fabric production branch provides all kinds of PVC film, EVA film, PVC laminating, TPU film etc. to global markets. With its strong support, JIEF's protective wear business becomes much competitive on the global market.

JIEF Garments as the Group's production branch is certified with ISO9001:2015 Quality Management System and BSCI qualification. With efficient production team and experienced merchandisers, JIEF is able to provide professional services for global market.

JIEF's honesty, profession, dedication to good services and the desire to improve have been its strength. With the best effort, JIEF believes it could achieve higher level of success. JIEF appreciates the opportunity to serve you and strive to continue being an important part of your great success!

James Chen

(Managing Director)
